

"IT MAKES ME FEEL LIKE A NEW MAN"

I want to talk to men who have pains and aches, who feel run down physically, who realize that the old "fire" and energy which was so evident in youth is absent now; men who can't stand the amount of exertion they could years ago. I want you—if that means you—to see what I have done for others who were just as bad off. That's my introduction. If a friend in whom you had confidence presented some one to you and said, "Jack, here's Brown; he has made good with me, and I trust him," wouldn't you trust him, too?

Mr. H. A. Lehndorff, proprietor of the Fernando Hotel, Fernando, Cal., a man known to thousands of Californians, a G. A. R. veteran, says that my Belt cured him of Rheumatism, and that he will praise it for all time as the grandest remedy known for that trouble.

Mr. W. F. Quite, Cedarville, Cal., writes, March 10: "Your Belt cured me after I had spent \$1000 in useless doctoring."

I have cured thousands of men who have squandered the savings of years in useless doctoring.

My Belt is easy to use; put it on when you go to bed; you feel the glowing heat from it (no sting or burn, as in old style belts), and you feel the nerves tingle with the new life flowing into them. You get up in the morning feeling like a two-year-old.

An old man of 70 says he feels as strong and young as he did at 35. That shows it renews the vigor of youth. It cures Rheumatism, Sciatic Pains, Lumbago, Kidney Trouble. Banishes pain in a night, never to return.

Mr. A. C. Hammond, 329 Pine street, San Francisco, says, March 20: "At the age of 75 your Belt has cured me of general weakness and kidney trouble."

What ails you? Write and tell me, and no matter where you are I think I can give you the address of some one in your town that I have cured. I've cured thousands and every man of them is a walking advertisement for my Belt.

Every man who uses my Belt gets the advice and counsel of a physician free. I give you all that any medical man can give, and a lot that he can't. Try my Belt.

FREE BOOK—Write me today for my beautiful illustrated book, with cuts showing how my Belt is applied, full of good reading matter for men who want to be "The Noblest Work of God"—A MAN. Inclose this ad and I will send this book, sealed, free.

KUMALAE FOR JAIL

Enoch Johnson Also Must Don the Stripes.

Enoch Johnson and Jonah Kumalae must each serve his sentence of one year's imprisonment at hard labor for conspiracy in the first degree. Their conviction was based on evidence that they conspired to commit the offense of gross cheat, which offense in their case consisted in unlawfully obtaining money out of the expense fund of the House of Representatives at the legislative session of 1903.

Their appeal having failed in the Supreme Court as made known yesterday morning, Johnson and Kumalae were taken into custody in the afternoon and incarcerated in Oahu prison.

A unanimous opinion of the Supreme Court, written by Chief Justice Frear, overrules twenty-five exceptions Johnson and Kumalae's counsel took from their conviction. The opinion decides that the Hawaiian law providing for more than one session of the Circuit Court of the First Circuit at the same time is not in conflict with the Organic Act. For the rest it sustains the rulings and instructions of the trial judge, excepting in one or two instances of "harmless error, as to the composition of the grand and trial juries, admissibility of evidence, etc. Lorrin Andrews, Attorney General, and W. S. Fleming, Assistant Attorney General, represented the Territory, and C. W. Ashford and A. S. Humphreys the defendants. The case is set out in the following opening words of the opinion:

"The defendants were jointly indicted for conspiracy in substance as follows: That Kumalae, a member of the House of Representatives and chairman of a special committee on the Chinese fund, and Johnson, an attorney, conspired to defraud the Territory by falsely representing to the standing committee on accounts that Johnson had been engaged as clerk of said special committee and had performed certain services for it and rendered a legal opinion to it, and that by reason thereof there was due him from the Territory \$312.50, and that through false representations so made they procured an approval of the bill and a warrant for the payment thereof and afterward obtained payment thereof from the Territory. The defendants were found guilty of conspiracy in the first degree and now bring the case here on twenty-five exceptions."

Judge De Bolt tried the case and upon the verdict of the jury sentenced each of the defendants to be imprisoned at hard labor for the term of one year.

Honolulu Housewives, Read This!

OUR NEW GROCERY

Opens June 1st

We beg to announce to the housewives of Honolulu that we will open a first-class grocery establishment in the Waity Block, two doors from the Metropolitan Meat Co. on THURSDAY MORNING, JUNE 1st.

We will operate this store on lines entirely new in Honolulu and submit the following excellent reasons why you should trade with us:

1. **THE STOCK:** It is entirely new and strictly high-class. Agencies have been secured for many choice goods that have not yet appeared in this market.

Recognizing the fact that Honolulu housewives demand the best obtainable, we have secured the famous "TILLMANN" brand of fruits and vegetables.

These goods are so fine that "If it's Tillmann's it's Good" has become a household maxim in the best homes on the Pacific Coast. It is our intention to make them fully as popular in Honolulu.

Equal attention has been given to other staples. Butter will be delivered in our special wagon ice-boxes. Coffee roasted and ground fresh every day. Teas, spices, crackers and other standard goods all the very best.

2. **SERVICE:** While our store at first will not be the largest, the service we will try to make the best. Believing that merit tells in both men and merchandise, to give the most efficient, most reliable and most intelligent service will be our constant aim.

3. **CLEANLINESS:** Every effort has been made to fit the store with the most modern appliances. Shelves are readily removable and cleanable. Everything will be kept spick and span as a parlor. Goods will be displayed in a manner to tempt the appetite.

4. **DELIVERY:** Goods will be delivered promptly and we have arranged a system whereby you will get what you order in the shortest space of time.

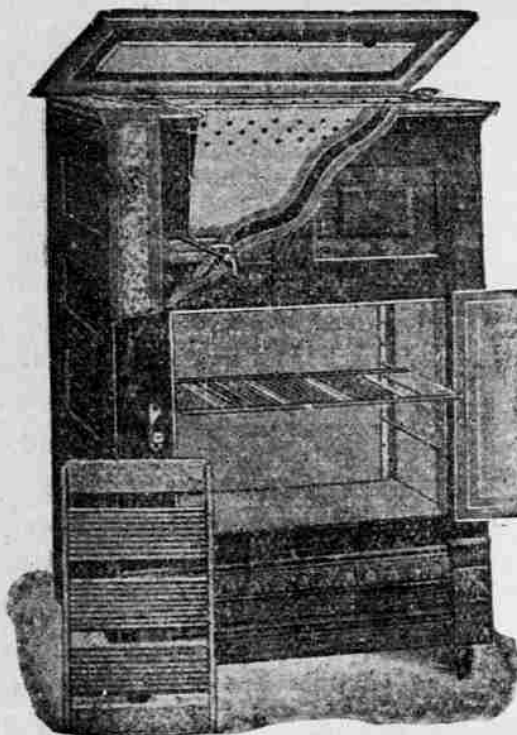

Our customers, like our stock, must necessarily be all new. We respectfully solicit your trade and believe that once served you will become a steady patron.

We cordially invite you to our opening on THURSDAY.
